

Executive Director Job Posting

www.gift-of-life.org

Mission Statement: The mission of Gift of Life Transplant House is to provide transplant patients and their caregivers with high quality, affordable accommodations in a supportive, home-like environment.

Gift of Life Transplant House, a 501(c)(3) located in Rochester, MN, is seeking a dynamic leader who is passionate about its mission. Reporting directly to the Executive Committee of the Board of Directors of Gift of Life Inc., the Executive Director has overall operational responsibility for leadership to continue meeting the mission of Gift of Life Transplant House by administering all activities of the organization within its campus and in the larger community. This position includes providing support for guests; providing leadership to staff; fostering and developing personal growth for all staff; manage human resources; assists with ensuring the financial integrity through budgeting, operational programs, planned giving, donor development and capital campaigns.

The position requires a seasoned, collaborative and inclusive leader with strong organizational management and leadership skills to foster mutual respect and teamwork with the Board, staff, volunteers, benefactors and the community. Strong relationship building is required for benefactors and guests. This position requires a deep understanding and passion for the mission with model integrity and compassion to foster mutual respect in all interactions.
