In solidarity we raise funds to promote awareness.

Or to help educate people about the decision to be a donor. Every year we see the impact of the Transplant A new name is added to the list.

In 2020, 378 people will receive a transplant. Despite this,ransplants are needed because of the number of patients on the waiting list. The goal of a transplant is to bring a new hope for a renewed life each year. This is due to the generosity of individuals who think of the Childless. What is the thing that
