2027 Sponsorship Opportunities

About us

Gift of Life Transplant House is a nonprofit organization located in Rochester, MN dedicated to supporting transplant patients and their caregivers. Founded in 1984 by a two-time transplant recipient, Ed Pompeian, we offer affordable, comfortable lodging in a home-like environment. More than a place to stay, our houses offer comfort, stability, and a sense of community during long hospital stays, uncertain waiting periods, and critical recovery time. By easing the emotional, logistical, and financial burdens associated with transplantation, we allow families to focus on what matters most—healing, hope, and being together.

Today, Gift of Life Transplant House operates three houses, including a dedicated Pediatric Transplant House that opened in 2025 to serve children and their families. Across all locations, we offer a total of 87 guest rooms designed to provide comfort, and peace during an incredibly demanding time. Through the generosity of donors, sponsors, and community partners, we are able to continue offering high-quality, compassionate care at an affordable cost for the families we serve.

Why Sponsor?

Make a difference in the lives of transplant patients and their families.
By sponsoring Gift of Life, you are supporting individuals and families who are navigating the life-changing experience of a transplant. Your sponsorship helps make our fundraising events possible, which helps provide a home away from home for those in this journey.

Increase your brand visibility.
As a sponsor, your organization will be prominently featured in our event materials, website, and social media platforms. Gift of Life has a dedicated and engaged community, offering you an opportunity to connect with potential customers, clients, and stakeholders who value businesses that give back to the community.

Demonstrate your commitment to community impact.
Partnering with Gift of Life Transplant House shows that your organization is invested in making a meaningful difference close to home. Your support reflects a dedication to compassion, care, and social responsibility—values that strengthen trust, inspire employees, and resonate with customers who want to support businesses that prioritize people and purpose.
